

## **P3: The Project Privacy Podcast**

### **The Podcast That Helps You Understand The Evolving Data Privacy Landscape**

*“Empathy is not optional for today’s information governance strategist.”*

Ann Gorr is a jack of all trades – and a master of all! As a information governance strategist, legal technology consultant, subject matter expert, and founder of [Ann Gorr, LLC](#), she’s acquired numerous skills over the course of her career. One of her favorite skills to practice? Empathy.

During this week’s podcast episode, Ann shares her thoughts on this essential soft skill that can help InfoGov professionals foster collaboration between departments and ultimately, the adoption and success of governance projects.

The episode – moderated by Patrick Cardiello, Senior Account Executive, ActiveNav – is available now on [Apple Podcasts](#), [Spotify](#) and everywhere you listen to your podcasts. Subscribe to the show to never miss an episode!

**On this episode, you’ll learn:**

- The tool often missing from InfoGov professionals' toolkits
- The benefits of practicing empathy as an InfoGov strategist
